

Position Available: Sailing Instructor, Summer 2023

Block Island Community Sailing is a US Sailing Accredited Keelboat Sailing School offering a comprehensive program of sailing lessons, recreational sailing, and sail racing for adults and their families in larger keelboats in one of the most beautiful recreational harbors in New England.

This program prides itself on making sailing a fun and rewarding learning experience using a skill-based teaching system which tracks each students sailing proficiency skill level and focuses on teaching the remaining sailing knowledge and boat handling skills needed to complete each course.

BICS provides numerous opportunities to our sailing staff for professional advancement including crew positions on larger sailing yachts during sail racing events on and off Block Island, financial support for attending US Sailing "safety at sea", and sailing instructor upgrades such as Keelboat Instructor, Cruising Instructor, and Coastal Navigation Instructor, and for US Sailing Certified Race Official certification. BICS will also sign off on the logged hours each sailing staff member spends on the water which will accrue towards meeting the requirements for obtaining their USCG "6 Pack" and "Captain's License".

Previous experience teaching club sailing and US Sailing Level 1 Instructor certification preferred.

If you love to sail, and actually want to get paid to infect others with your enthusiasm for the sport, contact:
