

## Caribbean Cruising / Sailing Vacation in the British Virgin Islands!

Block Island Community Sailing is pleased to offer a one-week sailing, family cruise, on board a chartered 46' luxury monohull sloop sailing from Tortola to Virgin Gorda and back, stopping at some of the most spectacular cruising harbors in the British Virgin Islands.

- Onboard accommodations include three private staterooms, each with a double berth, private head, and hot shower. The vessel also features a full galley and main cabin with table seating for 8. Our guests can bring spouses or friends who will not only enjoy the perfect sailing conditions between the scenic islands of the BVIs but also partake in the snorkeling, fishing, beaching, Island exploring, and the lively night life at BVI's famous Marina / Beach Resorts with their tropical food, drinks, and calypso music.
- The charter yacht is fun to sail with dual helms, advanced chart plotter, roller reefing jib, anchor windlass, fold down transom / swimming platform, 12' foot dinghy with 15 hp motor, ice box with additional refrigeration, WIFI, phone charge plugs, and an additional hot shower on the enormous swim platform. Our guests all get turns sailing the yacht.

- The yacht comes fully provisioned with food and beverages as requested by our guests. Do you have a favorite tropical drink? You got it! Our Itinerary includes stops at Norman Island, Cooper's Island, Brandywine Bay, Trellis Bay, and Leverick Bay in Virgin Gorda, all scenic harbors which offer casual or fine dining along the cruise route.
- Charter / Sailing Cruise cost is all inclusive for all activities on the yacht. Travel, lodging, and meals ashore are not included. Cost is approximately \$2,300-\$2,600 per person, based on six participants, depending on the date of the booking and vessels available.
- Charter / Sailing Cruise departs "The Moorings" our Bareboat Charter base in Road Town, Tortola on Sunday at noon and returns there on the next Sun. at 11 AM.
- The Charter / Sailing Cruise is hosted by BICS as part of our regular sailing program with US Sailing Certified Cruising Instructor Henry duPont, as your Skipper / Cruise Director. Henry, who has a US Coast Guard Master Captain's License with Sailing Endorsement is very familiar with these waters and is on file as an "Expert Skipper" with the Charter Company.
- All the above comes with a special BICS guide to cruising which tells you what to bring, what to expect onboard, and how to enjoy one of the most memorable sailing vacations available anywhere. This offer is inexpensive because BICS is a nonprofit organization. Comparable live-aboard sailing cruises in the BVIs are considerably more expensive.

### **How to get to the British Virgin Islands**

There are direct flights from Providence, Boston, Hartford, or the NYC airports to San Juan Puerto Rico (SJU) and then fly Silver Airways or InterCaribbean Airlines to Beef Island Tortola, (EIS). R/T flights cost Between \$600 and \$900.

## Frequently asked questions:

Q: Are the charter dates and itinerary destinations flexible?

A: Yes. The BVI cruising itinerary provided above is just an example. Any range of dates, including a 10-day sailing charter which could include Anegada, and Jost Van Dyke Islands, are possible. Check with BICS to for charter yacht availability and rates on your planned vacation schedule.

Q: Can I get sailing proficiency course certification while we are under way?

A: Yes, Block Island Community Sailing is an accredited US Sailing School, and our charter Captains are all certified sailing instructors for the US Sailing “Basic Keelboat” and “Basic Cruising” courses while underway.

Q: What are the live aboard arrangements like?

A: Our charter yacht has three private staterooms each with its own shower and head, plenty of ventilation, personal storage space, USB and DC automobile type charge outlets. The skipper bunks in the settee berth in the main cabin. If you like to sleep under the stars, comfortable cockpit cushions make that possible. On nights when we are docked in a marina slip, AC power and air conditioning is available on board. WIFI is available over the entire charter range through a dedicated hot spot on the yacht. This opportunity allows our guests to experience the “cruising lifestyle” for the first time.

Q: Who selects and prepares the food and beverages onboard?

A: Years of chartering experience guides us to provision the yacht with food and beverage selections which are local, fresh, sumptuous, and completely flexible. BICS will work with each charter party to develop menus, provision the boat accordingly, and assist with the food preparation. On some nights, when we are docked at a resort marina you may wish to sample the casual or fine dining ashore.

Q: What kind of weather can we expect on the Cruise?

A: The weather in the BVIs is remarkably consistent. Daily temperatures: High 83 / Low 75. Mostly sunny with some “puffy” fair weather clouds. Wind E 12-18 kts. Water temp: Feb 77, March 78.

Q: What are the best flights from the Northeast to Tortola?

A: Jet Blue now has direct flights from Providence and Boston to San Juan Puerto Rico, connecting to InterCaribbean Airlines or Silver Airways from San Juan to Beef Island Airport on Tortola for about \$700 R/T. Holiday weeks, like school vacation week can be slightly more expensive.

Q: What are our skipper’s qualifications?

A: Capt. Henry duPont has been sailing on cruising yachts from a young age and has logged over fifty cruising voyages sailing to local destinations in the Northeast and on blue water sailing voyages to Bermuda, Nova Scotia, and Chesapeake Bay. Henry is a founding Director of Block Island Community Sailing, holds a USCG Master Captain’s License, with sailing endorsement, and is a US Sailing Certified Cruising Instructor for teaching: Basic Keelboat, Basic Cruising, Bareboat Cruising and Coastal Navigation courses. Henry has been taking our guests on these sailing cruises in the BVIs as well as to local cruising destinations like Newport, RI, Wickford RI, and Mystic CT since 2000. He has also worked professionally on clean energy projects in the British Virgin Islands and is very familiar with the charter itinerary waters. He will ensure that your charter experience is safe, educational, comfortable, and fun!
